ONGOING SERVICES & FEES

Set out below are the details for the ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

1. Communication - In order to provide you with a high quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you
2. Protection - It is important to ensure your current protection plans and provisions remain in line with your objectives. If you wish, we can review this once a year with you.
3. Mortgages - If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. Ideally this will be 6 months beforehand. We encourage you to contact us should your financial circumstances change in the meantime.

We will make reasonable endeavours to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Paying For Advised Services

Full details of the final Advice will be provided in the Suitability Advice Report. Details of any fees payable and future service agreements will be provided in the '**Authority to Proceed**' document prepared for you by your Adviser. You will be asked to sign and return a copy of this document to confirm your understanding and acceptance of the arrangements.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser charge made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.
